

By Taxi

If you plan to take a taxi (which is quite convenient in Korea), please show your taxi driver the following note, which says in Korean language "Please take this person to the front of the Hanjin Main Building at Jung-gu, Namdaemunno 2-ga, 118."

Note to Taxi Driver

기사님,

손님을 중구 남대문로 2가 118번지 한진빌딩 본관(롯데 영플라자 옆건물)으로 모셔다 주시기 바랍니다. 감사합니다.

By Subway

Lee & Ko is a five minute walk from the Euljiro 1(il)-ga subway station (Green Line). Take Exit 7 and walk south past the Lotte Department Store and Lotte Avenuel Complex (both of which will be your right as head toward the Hanjin Main Building). Lee & Ko is located in the Hanjin Main Building, which is adjacent to the Lotte Young Plaza. The Seoul Metro website provides a route map and convenient trip planning tool.

<http://www.seoulmetro.co.kr>

By Car Way to Hanjin New Building

1) When coming from City Hall, Seoul Station, Euljiro 1(il)-ga & Jonggak

Upon arriving at the Euljiro 1(il)-ga intersection, drive towards the Seoul Station → Pass the Lotte Department Store, Lotte Avenuel, Lotte Young Plaza, and then Hanjin Main Building on your right → Turn right at the corner of the Banking of Korea Annex on to the leading to City Hall(blue arrow) → After turning right, the Hanjin New Building parking entrance will be the first parking entrance on your right.

2) When coming from Namsan No.3 Tunnel

Driving towards City Hall, cross the intersection bounded by the Bank of Korea, Seoul Central Post Office, and Shinsegae Department Store.

After passing the Bank of Korea Annex (right side) and old Bank of Korea Building (left side) turn right into the Hanjin New Building parking entrance (blue arrow).

Valet parking service is provided upon giving the name of the relevant Lee & Ko attorney to the staff at the 'Lee & Ko information desk' located in the lobby on the 1st floor.

Please take a parking validation ticket with you and go to Hanjin Main Building.

(You can enter the Hanjin Main Building through an internal passage way that connects the Hanjin Main Building and the Hanjin New Building.)
